Rating Committee – Kevin Sickinger

- Evaluations will resume for this season
 - We are going to target certain groups for evals this season rather than just aiming for the normal 50%
 - There are three types of evaluations: (R3 – Formal – Informal)
 - Expectations for both the Evaluators and the Evaluated for each type
 - This is a two-way street (you get out of it what you put into it)
 - Please email me if you are desiring an evaluation this season (several have already done so)
 - All evaluations are used at the end of the season when the Rating Committee meets to determine individual ratings
 - Ratings affect assignments
 - Please feel free to reach out to me directly if you have any questions or concerns about the process kevinsickinger@yahoo.com
